

## Cormatic® Mechanical Designer Series Roll Towel Dispenser

High capacity, key-locking towel dispensing system solution provides an attractive, hygienic, hands-free, portion-control solution.

### Description:

White, high-capacity Cormatic® mechanical roll towel dispenser helps you control costs with style. Our completely hands-free roll towel dispensers feature no buttons, levers or cranks that can serve as germ reservoirs, which helps you meet higher public health standards, assist in pollution prevention and control your operating costs through waste and maintenance reduction. This self-locking dispenser is designed to discourage pilferage while making towel dispensing a breeze. Choose our Cormatic® dispenser for a cost-effective system solution that is suitable for any washroom. Only available via one time, lifetime, Lease Agreement with GP or authorized distributor.

### Features & Benefits:

- » Attractive white dispenser coordinates with any washroom
- » High capacity reduces maintenance intervals and risk of product run-out in high-traffic areas
- » Portion-Control mechanism reduces solid waste by 25 to 35 percent by limiting the amount of product dispensed each time
